CHILD WELFARE SERVICES

Our Mission: We strive to ensure safety, permanency and well-being of children in Pitkin County

We believe...

- All individuals and families have strengths
- Children have the right to be safe from abuse, neglect or exploitation
- Children will have the benefit of the least intrusive process to ensure safety, permanency and well-being
- Parents/Caretakers have the right to choose what direction they will take

Services

- Mental health (individual, family and/or home-based therapeutic services)
- Substance abuse treatment
- Life skills coaching
- Parenting support
- Facilitated family meeting

Responsibilities

- Screen new reports of child abuse and neglect
- Assess and identify potential child safety concerns for accepted reports
- Partner with families and the community to strengthen families and address child safety concerns
